

# Plan Your Summer Vacation with The *New* Green Guides

Reorganized and reformatted, Michelin's *Green Guide* Series helps travelers find the best local and regional travel information.

**COLORS** Contemporary colors have been added for page banner and headers to help readers easily identify the guide's major sections — making information easier to spot.

**SIDEBARS** Practical information such as visit times and charges, touring tips, and sidebars are easy to spot in shaded boxes throughout the guides.

**MAPS** Colorful, legible Michelin maps have been retained throughout the new layout along with many helpful walking or driving tour maps. Some guides include a metro or subway map on the inside front cover.
